TOYS FOR TOTS BREAKS RECORD

This year's Toys for Tots drive, sponsored by the Technology Committee and Edward Jones in coordination with the Marines, ended with 20 boxes of toys (last year- 16 boxes)! In addition, there were numerous bikes, skateboards, easels, and much more! Thank you Leisureville for your generosity.

Technology and Edward Jones: from Technology- Joan, Webb, Lauren, Rose, Elaine (volunteer Vicki) and from Edward Jones- Tara and Wynn

NEW RESIDENT WOWS THE TOY DRIVE

Harlan Sperry, a new resident hailing from Loxahatchee, donated not one, but two trunk loads of toys! The toys included electronic ones and two huge doll houses! Harlan claims he has been a shopaholic for years; he loves a bargain and often buys more than 1 of an item if it is really good. "Somebody is gonna love it," says Harlan. Harlan often shops at www.yofreesamples.com.

Harlan originally came from Maryland where he was basically raised in foster care for 3 years and then by his dad which was a difficult situation. Despite his early childhood drama, he eventually moved to Fort Lauderdale in 1992 where he discovered his love of carpentry. He turned this love into a successful business. Harlan has also volunteered to join the Technology Committee! He will train with Joan Schone to learn Quickbooks. We are all excited to welcome this new member. Rose Luke

NOTES FROM THE BOARD MEETING

The Board of Directors met on December 13 at Clubhouse 3 at 3PM and on Zoom. The entire Board was present along with Manager Nancy Barlow and Assistant Manager Maya Landa.

Before the meeting started, President Jim Czizik introduced William Sharon and Maddy Izza from PSI Security. Manager Nancy Barlow asked them to walk us through what their routine is. Maddy, the Security Director, explained that most security companies set everything up and walk away. His company uses software called Tracktic that keeps the customer informed. All officers have body and dash cams and use a tablet to report violations and criminal activity that the customer receives in real time. Officers are tracked via GPS. Field supervisors come to the site during patrol and not during patrol which is not charged. We will have the ability to contact the company 24/7. Maddy said he was very impressed with Leisureville. Maddy wanted to hear what our concerns are. He said the company has several customers in the area. He also said he can be set up within a few days. Covid impacted the company; employees wanted more money and turnaround increased. In the last 8 months, turnaround slowed down. Directors of the company are military or law enforcement; supervisors have a gun. Mobile patrol here will have 3 different patrol men on 4 different visits; one visit will be to close the clubhouses and patrol; the other times will vary. In an emergency, the police will be called. Something very grave will be reported to the Manager immediately; a report also is automatically sent via the software. Access to the reports is always available as the reports are stored in the cloud. Hours of patrol will vary. The contract has a 30 day out.

President Jim Czizik added a discussion about the security company to the agenda. The November minutes were approved. Manager Nancy Barlow gave her Manager's Report.

Assistant Secretary Jack McQueen reported that the LCC had a luncheon in lieu of a meeting.

Director Nancy Price reported that the Recreation Committee had a tree lighting and refreshments in Clubhouse 3 and had a Menorah lighting. Tickets are on sale for a New Year's Eve dance party. A Leisureville theme song was found.

Treasurer Cliff Cole said that he and Dick Duffy inspected the sea walls to prep the Finance Committee that we have 182' to be repaired immediately. We are waiting on permits.

Secretary Bob Wilt reported that the ACC is working on 2 new policy proposals: one on driveways and one on storage containers.

Vice President Don Ernst reported that the chair and treasurer of the Tech Committee are resigning as of the first of the new year. The editor is also looking to step down; she is working with several volunteers to help her. Toys for Tots was very successful.

Director Eleana Guidice reported that Gail Hogue is meeting with the Section heads in January and will be at the Welcome to Leisureville event to recruit new volunteers.

President Jim Czizik reported from the Golf Committee that the tree was planted for Jim Atkins. The bathrooms have been completed. The committee is looking for a new cart. Hot Dog Sundays are at the golf patio.

NEW BUSINESS

The Board approved the October Financials.

Treasurer Cliff Cole made a motion to amend the volunteer policy that says a committee must get Board approval for expenditures over \$2500. To spend over \$5000 the committee must get 3 bids. The Board approved.

Secretary Bob Wilt made a motion from the ACC that the lantern posts match the community. Some residents have replaced the lantern tops. Director Nancy Price does not agree that the tops should be replaced as they are costly. Bob suggested that when the house is sold the lantern be replaced when necessary to conform. Vice President Don Ernst also does not agree with the change. Resident Jim Browning replaced his coach lite for a cost of \$100 7 years ago; his glass is frosted. The main thing is we want to keep the neighborhood lit. The Board decided to table this motion.

President Jim Czizik made a motion for changes to the Golf Committee policies: the chairman shall make the decision when to close the golf course; the committee shall post a fee schedule in May for use of the golf course. The cost for groups that meet weekly will be \$15; a group or committee that meets monthly to use the clubhouse and patio will be \$50. The Board approved.

President Jim Czizik made a motion to appropriate an additional \$2200 for a modulator transmitter to activate channel 63. About 52% of residents use Xfinity and can access channel 63. This brings the cost up to \$4000. Resident Carol Shasha asked if those using firesticks or Roku can access this channel. They will not be able to access it. Anyone can see the channel at the clubhouses. Resident Jim Browning asked who will take charge of the information. Manager Nancy Barlow will monitor. Resident Steve Schone said it must be a pretty low percentage who will use it. Jim said it will reach those who are technically challenged. Steve feels this enables these residents. Steve also added that he raised his hand to speak about the policy changes for golf that were not announced to the residents before voting. Director Hal Eide is in favor of spending this money to reach out to those residents who do not have internet. The

Board approved.

President Jim Czizik made a motion for \$35000 for the purchase of the camera system damaged by a lightning strike. Our video system is obsolete; there is uncertainty for replacement parts for the outdated system. Manager Nancy Barlow said the US government has banned the purchase of items from this Chinese company. The new system is not from China. Treasurer Cliff asked if this is the only vendor. Jim said one vendor spoke to us. This vendor can supply us in 4-5 weeks. The cost for the entire community is about \$108,000. Resident Ken Weissman asked if we got three bids. Jim said the others didn't bid; this is the only bid that can be integrated with the police. Resident Steve Palermo said it sounds like only one supplier. Vice President Don Ernst pointed out that Campbell is paying someone to lock up and open the clubhouses; presently, this facility is open and unprotected. The Board approved.

Treasurer Cliff Cole said there are 3 fines to be sent to the Fining Appeals Committee. The Board approved.

Security was discussed next. President Jim Czizik made a motion to approve a contract with PSI Security for 1 year with a 30 day out. The cost is about \$54000. Vice President Don Ernst pointed out that Manager Nancy Barlow spoke to 9 companies; none provided what PSI provides. Director Hal Eide is concerned that when the clubhouses are locked up, there will be little time for patrolling at that time. Don said GPS tracking will tell us where they go. Jim said we can communicate any needs we have; we will look closely at the reports PSI gives us. The Board approved.

Treasurer Cliff Cole wanted to discuss allowing an outside organization on our property. Mae Voelen is proposing to give a free sit-down lunch at Clubhouse 2.

Resident Ed Pollock asked about flowers around the palm trees. Manager Nancy Barlow said flowers were planted around the palm trees at Clubhouse 2. More will come in the new year.

Resident Carol Shasha asked about money owed to U3 for permits.

Resident Donna Gaudet asked about signs that state this is a 55 and older community. President Jim Czizik said we do not need signs. Jim says we have small signs that say 55+.

NOTES FROM THE BOARD WORKSHOP

The Board of Directors met for a workshop on December 6, 2022, in Clubhouse 3 and on Zoom at 3pm. All members were present or on Zoom, Jack McQueen will join the Workshop late. Along with Manager Nancy Barlow and Assistant Manager Maya Landa.

First topic of discussion was Board Member Mementos. Jim Czizik announced that Diana Van Boernum resigned from the board because she has sold her house and moved out of Leisureville. There is now a vacancy on the Board. There are options for putting other people on the board for 2 months' time and the likelihood that a critical vote would come up needing a majority is not going to happen. No one suggested that a replacement be appointed at this time.

First agenda item was Board Member Mementos. This is not new; it just has not been exercised in recent years. Previously, the Board has voted to allow Board Members to have shirts. Departing members would receive a memento to thank them for their service. Eleana Guidice suggested clothes are a better selection, a collared Shirt for current members. Hal Eide and Jim agreed departing members should get a memento. This will be addressed at the next board meeting.

Jim Czizik said Channel 63 was almost ready to launch when Comcast advised there is now a change of equipment requirements. We were originally told we need a modulator, now we need a modulator with transmitter. This raises the cost about \$1000 over what was anticipated from the initial investment of \$2500 if we choose to move forward with Channel 63. A less expensive modulator with transmitter is being sourced, such as a used system with a discount.

Cliff Cole provided an update on the seawalls. A seawall consulting engineer reviewed the golf course and Leisure Lake seawalls. Currently there is 182' of seawall on the Golf Course approved to be replaced. The golf course has 1162' of seawall that needs repairs over the next year. There is an overall total of 3087' of seawall within the community. There is potential cost for \$330k to \$400k to repair the seawalls. The consultant suggested clearing out vegetation from all the seawalls and add/replace caps to help extend the seawall life by adding tiebacks to pilings where there are none and putting a nylon sleeve on the tiebacks. Leisureville Lake has 924' of seawall. Behind Condo A needs replacement of 233' and to add fabric to prevent soil erosion. There will be bids solicited for repairs to the seawalls.

Don Ernst reported CAP is waiting on permits from the city for R3 grill area removal of brick walls. Eleana reported R2 renovations are also waiting for permits.

Clubhouse 2 lightning strike damage: Nancy Barlow is working with the insurance company for a settlement. Cameras are not being considered damaged from lightning, rather being damaged by Hurricane Ian due to timeline change by the insurance company and paperwork submission. There have been 9 days assigned by the insurance company that they consider to be Hurricane damage, therefore not accepting a separate cause of damage by lightning.

About Our Ads

Leisureville News accepts advertising without endorsing or evaluating in advance the advertised products or services. We have the right to refuse advertisers. Potential buyers should satisfy themselves about the quality of the products or services. The Leisureville News will not knowingly continue advertising for inadequate products or services. If you encounter problems with our advertisers, please contact the newspaper office at 561-200-9659. Three legitimate complaints about an advertiser will result in their ad being removed from the newspaper and withheld for the next three issues. Be aware that the City of Boynton Beach and Palm Beach County may require an occupational license. Payments are non-refundable.

Advertising in the Leisureville News

Running an ad in our paper can be very easy. You can stop by the Leisureville office located at 1007 Ocean Avenue and ask for a copy of either an **AD contract** or a **CLASSIFIED AD contract** which details information we need in order to set up your account. Also listed are the sizes and prices for ads. You may submit your ad either by computer or by taking the ad and your money to the office. An ad contract is for business ads. A classified ad is for residents who wish to sell or rent something (home, goods, services, etc.) If bringing to the office, use an envelope and write "Leisureville News" on the envelope along with your check in the correct amount and your ad or classified form. Leave it in the office or you can mail the check (the address is on top of the form). We must have your check within 5 days after you submit the ad.

Classified ad forms and business ad forms can also be downloaded from the web. Go to www.mypblca.com and click the newspaper link. Then click on eforms and print the appropriate one.

The Palm Beach Leisureville newspaper has an electronic office. We have a telephone number that anyone who wants to run/publish an ad in our paper can call to get information. Someone will return your call in a timely manner, but you must leave a detailed message with a call back phone number, your name and some idea as to why you are calling. Depending on your needs, one of our staff will return your call. This line also addresses billing and ads so please be as specific as possible.

Leisureville News is published once a month and delivered or available during the first week of the month. The deadline for **articles, pictures, notices, club news classified ads, and other submittals** are due no later than the eighteenth of the month PRIOR to the month you want it published. These items can be emailed to editor@mypblca.com. The **business advertising** deadline is the fifteenth of the month and can be emailed to ads@mypblca.com. Extra copies of business ad forms and classified ad forms are in the office and clubhouses. Leisureville News

WEEKLY BLAST CAN BE MAILED

Manager Nancy Barlow sends a weekly blast to the Leisureville community via email. Presently over 2000 email addresses receive this email. It is estimated that approximately 290 residents do not receive the blast because they do not have Internet access and/or computers. In order to address this discrepancy, Nancy has hard copies available at the office. In addition, any resident who wants the blast can call the office at 561-732-7474 and request a copy of the blast be mailed to the home.

Attn: Residents Who Deliver Newspapers

Gail Hogue, chairperson of the Section Leaders, along with Susie Brufladt and Gerhard Lange, have been working to organize a timely and accurate list of persons who deliver the newspaper and their routes.

It appears that there are some volunteers who do not know their section leaders' names or phone numbers. We would like to rectify that situation so when a volunteer cannot deliver the newspapers, that resident can call someone to report this. Please call Gail Hogue at 561-685-3079 and I will give you your Section Leader's name and number.

Additionally, many residents do not get the newspaper. Please call Gail. Every effort will be made to get you your newspaper.

Anyone interested in delivering newspapers should call Gail (561-685-3079) as there are many routes open.

Gail and her helpers would like all residents to get a newspaper. The paper is not only interesting, but it is full of information about this community.

Refuse Schedule Residents Please Read

Residents should note that recyclables and regular garbage are picked up every Tuesday. You may put out your bins and pails Monday evening. Large items (sofas, cabinets, etc.), garden clippings, and regular garbage are picked up every Friday. You may put these items on the curb on Thursday night, but not before. Do not leave large furniture items and landscaping trimmings on the curb for days before Friday pickup. It makes the neighborhood look unsightly for long periods of time.

CLUBHOUSE RESERVATIONS

All Clubs Meetings, Card Groups and Other Activities that use a Clubhouse will need to make reservations with Lynn Theis. NOTES FROM THE BOARD WORKSHOP

(continued from page 4)

There is a substantial increase in deductible from surge damage of \$5,000 to wind damage of \$100,000.

Holiday lighting: contracting cost is \$3500 per year for a few months to rent decorative lights. The Board is considering purchasing lights off season then rent equipment to have the lights installed by a licensed professional at a significant cost savings.

Bob Wilt provided an update on the adverse possession issue of R1 and the Golf Course. An attorney who specializes in adverse possession and has extensive knowledge of Rec Leases has been retained after the Board met with him to discuss investigating with a Title attorney.

The Golf Course and R1 are to be surveyed to start the process. Once the survey and title search information has been collected, the Board will meet again with the attorney to see if the findings will be enough to have a case to move forward.

Bob and Nancy provided an update on the Special Members meeting scheduled for January 10 at 9 am at R3 Clubhouse. Volunteers are needed to stuff envelopes so the mailing can be sent out. Looking for candidates to submit their name to the office before the 18th of December to be put in the newspaper or after that by December 30th at 4pm to run for the board. The person must be physically present to nominate anyone off the floor is there is a quorum.

Cliff discussed a policy clarification for revenue generating committees. Each committee has \$2500 to spend on a project item. Any spending over \$2500 needs to be approved by the board. The board will want 3 competitive bids. The three committees have reviewed the policy. This will be a motion at the next board meeting on December 13 at 3pm.

Nancy Barlow provided a Security replacement update. There are only two companies that are willing to provide a bid for the services we are looking for. Of the two companies, one has included extensive detail of what they can provide which may exceed our expectations. The other seems to be more of the same to what we have had in the past. The Board will review both bids to decide next steps with these two companies.

MANAGEMENT REPORT December, 2022

The Administrative Team welcomed 14 new property owners and 3 new rentals. The team processed work orders and provided regular member service needs. Along with daily processing of work orders, notifications, customer service requests, bookkeeping, contractor coordination, etc.

ACC Approval for Exterior Modifications – We are seeing an increase in exterior modifications in PBL without obtaining ACC approval. We are also being told the contractors are telling the owners they do not need HOA approval. Please remember you must obtain ACC approvals for any exterior modifications made to your home, according to the ACC Policy 101.7- Alterations to Basic House. Regardless of the need for a city permit, you must submit an application to the ACC. Applications are available at the admin office. We will be happy to assist you on any questions you might have on the application process. You can also attend the ACC meetings for additional questions. They meet on the 1st and 3rd Tuesday of each month.

The **Maintenance Team** completed a total of 66 work orders while performing their daily scheduled maintenance and janitorial services.

The **Irrigation Team** completed a total of 42 resident work orders.

Property Inspections – Home Inspections are performed year-round. For the month of November, the Team inspected 155 properties which includes LCC, ACC, Coach Lights Out and Parking violations. The following non-compliance notices were issued for the month of November: 32 Stage 1 notices, 25 Stage 2 notices, and 24 Stage 3 notices. 74 non-compliance violations were closed out. The team also completed 339 post paint & post pressure cleaning inspections. Thank you PBL's residents for maintaining your home and making a difference.

Fining Appeal Committee Meeting – There was a Fining Appeal Meeting on December 2, 2022, for non-compliance violations from May 2022 through November 2022. Out of the 44 non-compliance fines levied by the Board of Directors, 25 violations were corrected prior to the 12/2/22 FAC meeting. There were 19 cases presented to the FAC to adjudicate and fines were assessed.

Coastal Painting – Coastal has completed the 2022 & remaining part of the 2021 Painting & Pressure Cleaning Schedule. 522 homes were painted, and 1,062 roofs were power washed in 2022.

For 2023, Section 1 & 3 roofs will be power washed & homes rinsed and Section 5&5A homes will be painted. The painting will begin in Section 5 on January 9, 2023 (weather permitting). Please have all holiday decorations and lights removed before January 9. Schedules will be posted to the website and information will be posted weekly in the Friday email blasts. Painting & pressure cleaning Notices will be posted in December. Please read the instructions and complete the notices promptly.

- During the month of December, Coastal will complete a pre-painting inspection to document any damaged items and note any rotted wood for section 5, 5A and 1.
- The contractor will also pre-walk the roofs and detail and photograph number of cracked, loose or missing roof tiles.
- Without inspection approval of your roof, Coastal will not be able to offer pressure cleaning or painting roof services.
- A pre-painting form will be left on your door and must be signed by homeowner. Tenants, neighbors, and family members should not fill out this form unless the office has received an email or written request from owner stating their authorization.

If you have any questions on the painting, power washing or pre-paint inspections, please call the office at 561-732-7474 or email painting@mytblca.com

IMPORTANT:

- If your furniture and personal belongings have not been moved from the exterior of your home, **your home will be skipped**, and will be completed once the section is done.
- **Please note:** Coastal has completed the painting process of your home once your coach light post has been painted.
- During the painting of your home, please park on the next street over to avoid overspray. Please keep in mind emergency vehicles must be able to drive down the streets quickly.
- When you receive a 'Notice to Paint' / 'Notice to Pressure Clean' form posted on your door, please complete the form promptly and leave the form on your door. The forms will be picked up by Coastal.
- We must receive a signed form from all owners. If you are not in PBL, please contact the office, and we will email you the form.

Annual Meeting is scheduled for Feb. 7th. Be on the lookout for mailings.

Coastal will begin in roof and pre-paint inspections in December for work starting in January. In 5a and 5B.

BOARD ELECTION NEWS

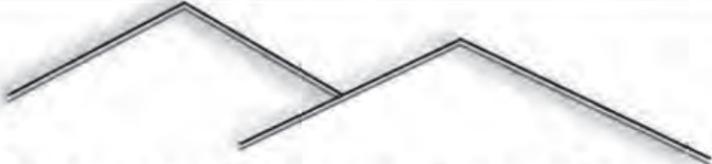

Very Important Dates

There are two dates coming up that are perhaps the most important days for a PBL resident. One is the Special Members Meeting and the other Election of Directors. Both meetings will determine how the Community will be administered for the next two years. It is vital that you attend these meetings in person or appoint a proxy to represent you. The purpose of the proxy you recently received is merely for the purpose of counting you in the quorum number. You are not making any other commitment.

The Special Members meeting will be Tuesday, January 10, at 10:00 a. m. in Clubhouse 3. The main purpose of this meeting is to receive the report from the Nominating Committee and to accept nominations from the floor. But nominations from the floor can only be accepted if we have at least 692 residents in attendance or submitted proxies. As of this writing we have only received three nominations for the five vacancies on the board. Thus, if more self-nominations are not received by December 31 and we do not have a quorum (692 members), we cannot take nominations at the meeting. Then we will not have an election. If there are less than nine Directors, the Board can decide to fill those vacancies or not and work with a four person board. You can prevent this from happening.

Attend the meeting or return the proxy you should have received in the mail. Or better yet, consider running for a board position. Being a director does require some work; however, it can also be self-gratifying knowing that you contributed to the betterment of our community. You do not need any special talents, abilities, nor does it make any difference what your pre-retirement life was. In addition to the requirement or serving that were included in the mailing you received, a director needs some good old fashion common sense. If you are supportive of current Board policies or if you want to see a change then please seriously consider running, or recruit someone you would like to see directing PBLCA.

The second vital meeting will be the Annual Members Meeting on February 10th at 3:00 in Clubhouse 3. At this meeting any eligible voter who has not voted may do so and then the result of the election will be announced. Shortly after January 10 you will be receiving a packet of material from the office in which will be your ballot. Once again, it is vital to the management of our Association that you return a completed ballot or proxy. We must have at least 692 votes cast in person or by proxy. More information will be in the February issue of PBL News.

HOW DOES OUR COMMUNITY C.O.P. HELP??

We have 70 volunteers who drive 2-hour shifts from 6AM AM to 10PM throughout our neighborhood.

Recently, a volunteer couple was driving during the evening (it was dark) and noticed a front door was open, so they drove up to check. The resident had fallen inside, could not get up, crawled to the front door, and opened it in hopes someone would see it and check in. Thanks to their vigilance, the rescue squad was called, and a more serious crisis averted!

C.O.P. is looking for volunteers to fill several shifts -- won't you please consider volunteering for a 2-hour shift? Thank you!

Pennsylvania Club

The Pennsylvania Club wishes everyone a very Happy and Healthy New Year!

VETERANS AFFAIRS COMMITTEE OF LEISUREVILLE

DECEMBER 09, 2022

Our first guest was Roger and Mitzi Ellis of Bugles Across America. They provide real life music for funerals, patriot events, celebration of life, taps instead of the music box playing music. It really is an awesome idea. For more information you can go to their website, BuglesAcrossAmerica.org.

Our next guest was Laureen King. She wants to interview any veteran who wants to share stories about their experiences for our monthly newspaper for all to read. She passed around a note pad to get all the information from all who wanted to share. Many did sign up to be interviewed. It will be great to hear some stories from the past.

All of our past events were all successful. Very well attended.

Veteran Community Socials meet the second Wednesday of every month at Gizzy's Coffee Shop, 2275 South Federal Highway, Delray Beach, 33483 just to hang out and talk and relax. Subjects are whatever everyone wants to talk about. No agenda at all. But if you do need to talk, Psychologist Thomas Peate will be there for you. thomas.peate@VA.gov.

The Honda Classic is coming up soon again. The Veterans Outpost will be in full swing again. All veterans get in free all 4 days if you desire. Free food and drink. And you can bring up to 2 guests per day for \$20 to share along with you at the Outpost. It is a very fun day.

On a sad note, this is Bubba's last meeting. He is moving back to Las Vegas. So it is up to us veterans to see if we can continue our meetings. Bubba is a wealth of knowledge. He kept us informed and couldn't be a nicer guy. We all appreciate him and all his efforts. He always had the answers to all and any of our questions. He would go to Tallahassee to sit in on meetings and bring us back all the information that related to us veterans. He will surely be missed by all of us. We all wish him the best of everything in life.

Introducing Mitzi and Roger Ellis Bugles Across America

We are proud members of Bugles Across America. The mission of our non-profit organization is to provide a live bugler for the sounding of Taps at the closure ceremony for every veteran, law enforcement officer and first responder.

By Public Law, every veteran shall be provided military honors at their funeral, upon request, by a party from the branch in which the veteran served. The absolute minimum to be provided for these honors is a two-person detail to fold the American flag and sound Taps. Due to a critical nationwide shortage of available buglers in the military branches, Taps is almost always presented using a recording.

To restore the dignity and rightful honor due to our veterans, Bugles Across America was founded in 2001 by USMC veteran Tom Day. The organization today has more than 4000 registered buglers nationwide.

If you have occasion to need a qualified bugler, you may contact us directly by voice or text at (917) 697-9449 or by email at roger.c.ellis@gmail.com. If we unable to fulfill your request from our home base in Boynton Beach FL we will arrange for another qualified bugler from our organization.

Please know that requesting a live bugler will not add any cost to the family or others paying funeral expenses. We are strictly a volunteer organization and never charge for our services. We do NOT require a copy of DD214 discharge papers to sound Taps. Bugles Across America is an approved funeral services provider by the Department of Defense.

In addition to funeral services and celebrations of life, we are also prepared to conduct and/or take part in ceremonies observing Memorial Day, Veterans Day, VJ Day, Pearl Harbor Day and so on. We are available to speak to your organization about Bugles Across America and our mission. We can supply live trumpet music including service songs, patriotic tunes, hymns and more.

CONDO-22 ASSOCIATION

A meeting of the Condo-22 Coalition took place on Monday, December 5, 2022 at 1 PM in the East Room of Clubhouse 1. There were 15 of our PBL condo associations represented. Barbara Kaczmarczyk introduced the guest speaker, the Honorable Joseph Casello, Democratic State Representative for District 90, that includes Boynton Beach.

Joe began his presentation with his own summary of his life mission to serve others. He began his life of service as a firefighter in the state of Massachusetts. After his 30-year career, he and his wife moved to Boynton Beach and became involved with our city. He served as the City Commissioner from 2013-2018. He has been a member of the Florida House of Representatives since 2018.

Joe went on to inform us that the first planning meeting of the next Legislative year will take place next week on December 12. This will be a time for committee assignments. The main topic of this brief session will be the current Insurance crisis here in Florida. He recounted his experience in a seminar that he had attended earlier on December 5th. The principle causes of this crisis are as follows:

- A. An adverse climate for Insurers. Six insurance companies have declared bankruptcy already and there is a possibility 17 others could suffer the same fate.
- B. Citizen Insurance [State owned and operated] has over 1 million claimants and will struggle to pay any of those claims. * Citizen only insures individual homes.
- C. The recent catastrophic losses resulting from Hurricanes Ian and Nicole. * The State of Florida is still paying for losses incurred by Hurricane Michael in 2018 that devastated the Panhandle region of Florida.
- D. The shear cost of claimant losses and repairs, rising cost of the materials needed, supply chain problems, and replacement value escalations.
- E. The tragedy of the Surfside Condominium collapse in June of 2021 which is giving rise to greater scrutiny of older buildings in Florida.

Joe expects that laws and how repair bills are paid will be changing under this new legislature. He sees a problem with the Super Majority of Republicans that will dominate the Florida House this session. There are 85 Republicans and only 35 Democrats in the House. The State Senate also contains a Super Majority of Republicans 28 and only 12 Democrats. We already know that we have a very strong Republican Governor in Ron De Santis. It will be difficult to put forth any proposals or reforms in light of these Super majorities.

Joe also feels that lobbyists have a very strong say in what will happen in the next 5-6 weeks of committee meetings that will precede the 2023 Legislative slated for March 7 through May 5, 2023. He also cited the fact that the State House of Representatives can only propose 7 Bills and the review committees in the Senate often squash them or modify drastically. The State Senate can sponsor more than 100 bills, but either way they have to get past many review committees and finally the Governor.

He answered some questions put forth by those present. Yes, there is a Florida State Insurance Commission situated in Tallahassee, FL. The current Commissioner was appointed in 2016. He agreed that there should be a Catastrophic Fund to handle the ongoing threat of hurricanes along the Florida Peninsula. This concept works for the State and the individual reserves for condo associations.

An alternate insurance choice for condo associations would be to develop a plan to become Self-Insured. *Accumulation of a large contingency fund will be a challenge for any condo community."

See your local banker and develop a Line of Credit that you will have set aside to cover high deductible insurance costs or small emergency repairs that may need to be made.

As a side note: Condo owners and associations are a huge constituency in Florida. More than 27,000 condo associations represent owners of 1.52 million condominiums with nearly 3 million residents. More than a million of these condos are 30 years old.

Joe concluded his time with us by encouraging us to contact legislative workers and let our feelings/recommendations be known to them.

Following Joe Casello's departure Barbara summarized our Condo-22 involvement in the CAP committee. We have had a voice in the community governance process in 2022 and will continue to attend these meetings. If any Condo association would like some small American flags to decorate their property on national holidays, they should contact Mae Lazarus and obtain a reasonable amount for free.

Our next meeting will be Monday, January 16, 2023, when we will have attorney, Daniel Wasserstein, speak to us about debt collection and possible foreclosures. We hope to also get a legislative update regarding insurance.

Future meetings will cover "How to redo your condominium insurance policy to save money," and a review of the Raines Case and its historical impact. The Meeting was adjourned at 2:45 PM
Respectfully submitted, Barbara Kaczmarczyk.

Landscape Committee News

Happy New Year 2023 is here. The lawns and bushes are growing fast and the weeds are in a race to take over. Your maintenance fees include weed spray and bug spray for grass areas. Call the office for appointment; now is the best time of year to get weeds under control. Your weeds get cut and taken to the neighbor's yards by mowers & blowers; help stop the spread and call the office 561-732-7474 to be scheduled.

Annual inspections will be underway for the next 4-6 months. Please get your yards ready. It will save us a lot of work. The LCC inspects properties for proper maintenance. Please check your property for the following, backyards too.

- > Bushes growing over the windows.
- > Bushes above the railing at the front porch
- > Weeds overgrown in plant and flowerbeds.
- > Too many potted plants – only 10 per property, max 5 per side of house.
- > Trees- only 2 per front and back, none on sides of home unless corner lot.
- > Plantings at lamp post must be kept 1 foot below light and no larger than 2' in diameter.
- > Patio privacy hedges in rear of home- 5'-6' height around patio area.
- > 2 Fruit trees are allowed in rear of home only.
- > Norfolk Island Pine Trees (Christmas tree) CAN NOT be planted.
- > Banana Trees are not permitted. Existing bananas limited to 5 trunks.
- > Coconut Trees are not permitted. Existing trees are required to have all coconuts removed in June due to hurricane season.
- > Royal Poinciana trees are not permitted. Too large canopy and invasive roots.

Leisureville Landscape Policies also follow City and State Guidelines for landscape regulations and change due to environmental impacts. To learn more, a good resource for South Florida plants is www.sfwmd.gov; look for TAB Waterwise. A booklet is available for review; contact the LCC. Plants that are not native to the area are considered exotic or invasive plants. A list can be found at www.FLEPPC.org and there is a partial list in the Waterwise Booklet as well. Unfortunately, some of the plants on the list are still sold in store local; they maybe on a watch list and not yet banned for local use.

We welcome you join the Landscape committee. We meet the 2nd and 4th Tuesday of each month in the Administration conference room at 3:30. The LCC sponsors the Green Thumb Award to properties each month in the newspaper and with a yard sign, You can send in nominations to PBLgreenthumb@gmail.com. For questions, comments or to report a problem: e-mail LCC@myplca.com

Residents: when selling your home, please notify the office. Pre-sale inspections are a great opportunity to verify HOA compliance for Landscape or Architectural issues prior to your sale.

COMMUNITY ADVISORY PANEL (CAP)

The CAP panel had its final meeting for the year and has established its meeting dates for 2023. Instead of meeting quarterly, the committee has decided that they will meet on the 3rd Wednesday every other month beginning with January 2023, and they will be placing it on Zoom for the residents to view. The panel elected Joe Dituro as its chairperson and Donna Gaudet as its Vice Chairperson. Since this was a new panel; they were able review and pass on to the board recommendations of what they thought the board should review and act on.

Some of their accomplishments or projects in process for 2022 were new logos for the towers at Clubhouse 1 and Clubhouse 2 plus color up lighting. Another is the purchase or erection of a gazebo at Clubhouse 2 after removing the barbeque pit. This project has been tied up in permitting by the city. A third is to modify the barbeque area and install new grills at Clubhouse 3. This project has been tied up in permitting. A fourth is to install an automatic door opener at the entrance side ramp at Clubhouse 3. Again, permitting issues with city have just been rectified. Another is night lighting at Clubhouse 2 for evening swimming. This project is in planning and development stage. If any resident has an idea on how to improve the community, please send an email to the panel for them review at pblvcap@gmail.com.

“THANK YOU FOR YOUR SERVICE”

By Laureen King

Many of you may recall some of the interviews I conducted a few years back with local veterans of WW1. I have been asked to continue these articles with veterans from Korea, Vietnam, Desert Storm and Afghanistan.

This is the first of this series about service men/women who live right here in Leisureville, who served our country during these times. Remember, these volunteers are your neighbors so remember to thank them.

If you know of a veteran who would like to participate, please let me know – Laureenc21@gmail.com

BERNIE RAY – NAVY - VIETNAM 1963-1966

Bernie was a second class electrician's mate on the destroyer Hawkins (DD873). He enlisted at the age of 17 and trained in the Great Lakes. He explained he was part of a group called the “Kiddy Cruisers” – which meant if you enrolled before your 18th birthday, you were guaranteed to be out before the age of 21.

His fondest memory? “The day I met my wife, Eileen.” He was stationed in New York, and since he was close to Philly, he went home for a visit. A friend invited him to a dance on Friday the 13th and there he boldly asked Eileen to dance. She asked him if he was in school. “Nope”, he said. Did he have a job? “Nope”, again. Finally, he told her he was in the navy. They corresponded all during the war and got engaged when he left the service.

During his training in 1963, President John Kennedy was shot so he was immediately deployed to the Freemont (PA44) and left from Norfolk headed to the Mediterranean. They were headed to the west coast when the ship collided with another destroyer around midnight, which opened a 7' cut in the bow. I asked Bernie if he was ever afraid and he said, “No, I was too young to be afraid.”

When they finally arrived in Vietnam, his ship was on plane guard, firing rounds at the enemy every day, over and over, to support the Marines.

His saddest memory? Missing his family from home with no contact other than occasional letters. “We were told, just do your job – don't think! So, I did!”

Every Month ALAN HUBER Answers Leisureville's Medicare and Health Insurance Questions

DEAR ALANI have heard you speak about the extra cost of a PPO. I don't pay extra for my Medicare PPO, so how does it cost me more?

DEAR EXTRAIf you compare your PPO plan to the same companies HMO, you will notice higher copayments, higher co-insurances, and and lower extra benefits such as dental and vision.

This lowering of benefits is an indirect cost and should be calculated into your final decision.

Windows: We are proud dealers of PGT windows and glass doors. The new line of PGT Winguard Aluminum-Framed windows are by the far the easiest to open and close.

Doors: We recommend hurricane-impact, fiberglass doors in a wide variety of designs — with or without designer glazing. PVC Jambes are made to be rot/termite-free, super energy efficient and we provide a lifetime warranty on the product and installation.

Patio Roofs/Enclosures: We were the first company to install front patio roofs and worked with the City to relieve easements. We build them stronger than the codes require to withstand hurricane force winds and we can add skylights and ceiling fans. Rear enclosures can be screen or weather-proofed with acrylic windows and insulated knee walls.

Carpentry: Our expert carpenters can fashion your new Crown Molding in any room, along with baseboards and chair rails. Also, exterior fascia/trim work with PVC products that never rot, and cabinetry work in kitchens and baths.

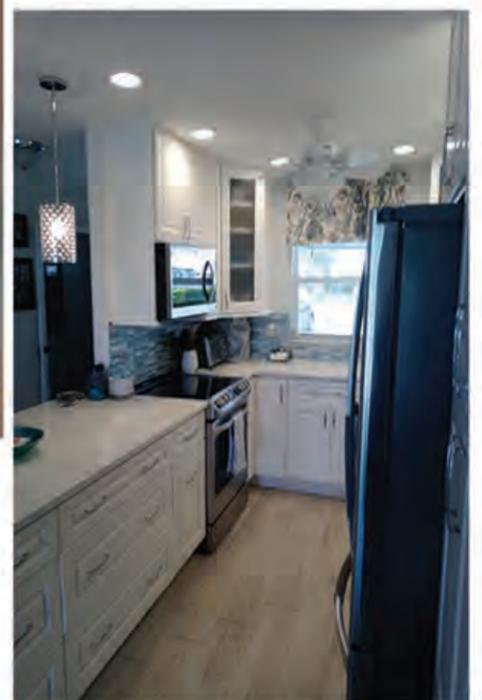

Tile: We keep a tile/flooring crew on hand at all times. Your choice of products/styles will be expertly installed anywhere in or out of your home.

Storm Protection: We offer the HT100 Series of White Aluminum Accordion Hurricane/Impact Shutters for doors and windows. Relatively low maintenance and super easy to use. Light weight storm panels are also available in compliance with all codes — aluminum or clear.

Light physical activity may help your heart

By Charles A. Harrington

Increasing evidence suggests that all movement—even low-effort activity—counts for preventing cardiovascular disease as people age. When exercise experts discuss physical activity, they often focus on both moderate and vigorous exercise, the types that get your heart pumping; however, there is a growing appreciation that any type of activity that gets you off the couch also may benefit your heart.

One study found that doing light physical activity such as preparing a meal or even taking a walk may lower your risk of cardiovascular disease among women in their early 60's and older. "The study directly measured how much time people spent moving, using a device that recorded body movements and could assess light-intensity activity accurately," said study author Dr. Min Lee, professor of medicine at Harvard Medical School.

"Historically, light physical activity has not been well reported. People can tell you fairly well if they go for a 30-minute walk after dinner. But if you asked them how much time they spend cleaning up after a dinner or doing light housework, it is more of a guesstimate," Lee said.

"These results are another reminder to spend less time sitting and more time moving. It is especially good news for people in their 70's and 80's, who may not be able to walk briskly or do other moderate exercise," Lee added.

Sitting for long periods of time has been linked to a higher risk of obesity, diabetes, and heart disease. This sedentary behavior is becoming more common as we age. A federal survey found that in 2016, adults were sitting for close to an hour more per day than they did in 2007. "No matter what your age, replacing some of your sedentary time with light activity will likely help your heart," Lee said.

Many times, after I turn on the television to watch local news, followed by the national news, I do not want to quit watching TV to get up and exercise. The next thing I know, it is bedtime and usually too late to exercise; another night is gone. You must put it in your mindset that you will get some form of exercise.

Light-intensity activities include chores people do often anyway, such as shopping, cooking and light housework. Many hobbies, including playing music, sewing, billiards, along with doing laundry, and playing cards also count as light activity, even if you are sitting part of the time, the study said. One of the key findings reported that women who spent the most hours in light activity, an average of 5.6 hours a day, were 42% less likely to have a heart attack or die from heart disease compared with those who spent the least hours active, 3.9 hours daily, on average. The more active women were also 22% less likely to develop new cardiovascular disease. Doing volunteer work such as helping in a soup kitchen, library, or school is another good way to add more movement to your routine, the study pointed out.

Now that we are in a new year, it is a good time to start. "A journey of a thousand miles begins with a single step." Take that first step and start to exercise on a regular basis. You will be doing yourself a big favor as well as making you feel good.

It has been proven that even a 10-minute walk contributes to better cardiovascular fitness, plus it increases blood flow to the brain. Walking is always a win-win situation.

Wishing all a healthy and happy 2023.

BOARD RESUMES

Calvin McDaniel

Greetings Palm Beach Leisureville Community Association Members.

My name is Calvin McDaniel and I'm excited to announce my candidacy for a position on the PBLCA Board of Directors. I'm looking forward to working harmoniously with other board members and volunteers as well as the management team in an effort to continuously make PBLCA a great place to live in.

For those of us not yet acquainted, I am a year round resident, having lived here for 5 months now and thoroughly enjoy my time here. I am single and have two amazing adult children. My son, Calvin, recently completed his service in the United States Marine Corp. and my daughter, Aleena, just completed her college basketball career. My career as a REALTOR® keeps me extremely busy, but in my spare time, I enjoy road cycling, learning, and helping my neighbors.

What drew me to Palm Beach Leisureville was how well it was maintained and its affordability, not to mention the onsite amenities and close proximity to shopping and the beach. Folks, this is a great community.

I have a background in corporate finance and held a building contractor's license in West Virginia for over 12 years. When tasked with a project, my focus is getting things done right at a fair price.

PBLCA board members must know how to plan and understand the budget, manage the association's finances, deal with disputes, discuss and carry out ideas, and listen to the member's concerns. I've been told I listen well and pride myself with consideration of all points of view.

My goals if elected are to transition seamlessly with the Board of Director's current projects and unresolved issues, as well as, bringing forth new and innovative ideas for the betterment of our community.

I am an excellent candidate for this role of representing my neighbors and our community. I currently serve on the Leisureville Lakes Unit J Board. Therefore, I know what this job entails and believe I have the necessary experience to do it well. I am also very enthusiastic and give my all to every job that I am given.

Lynne Vickers

13 year Leisureville Homeowner

Previous Occupations:

Executive Assistant to the Chairman of a software development firm in Boca Raton (2016-2019).

Executive Assistant & Project Manager to President of a \$126 million printing firm in New Jersey (1979-2015). Became their first remote worker when we moved to Florida full-time in 2004.

Community Activities and Committees:

1. Served on Recreation Committee 2021-2022 as Clubhouse I Coordinator. Developed vendor proposal for Board approval to renovate Clubhouse I and oversaw that project through to completion. Participant in the Rec Sub-Committee for the upcoming redecoration of the entire R3 clubhouse. Participant in decorating updates at R2. Participant in the planning & execution of the inaugural Tree Trimming Event in 2022.
2. Served on the Recreation Committee from 2013-2020 as Fitness Center Coordinator. Developed vendor proposals and floor plans to enlarge the existing Fitness Center from its original weight room closet & patio cardio room to an entire building devoted solely to fitness. Oversaw & worked with in-house maintenance and outside vendors on all modifications.
3. Served on the Technology Committee from late 2010 to 2013, ending as Secretary to the Committee. Was involved in the selection and community-wide implementation of access card system.
4. Active involvement in the summer Wednesday evening golf scramble.
5. Active involvement in the January golf scramble for the Wednesday night group.
6. Participated in the Bake Sale and Hot Dog/Hamburger events throughout the years.
7. Flag volunteer for holiday flag placement for over 100 homes.

What are your goals if elected:

I have loved living in Leisureville since we arrived and would like to be part of the continued positive movement and changes we are currently experiencing. I enjoy interacting with people and helping whenever and wherever possible.

Provide your experience & skills that will contribute to the Board's effectiveness and success:

My career supporting high-level executives as well as coordinating the activities of various group members (sales and marketing), developed not only my active listening skills and multi-tasking capabilities, but also enhanced my organization and communication abilities. I enjoy project work, either as part of a committee, or in a singular capacity, and I stick with a problem until it is solved.

I also served on the Board in our previous HOA (Chestnut Hill) in west Lake Worth, where I chaired their Architectural Committee for approximately two years before moving to Leisureville.

Golden Age Of Hollywood - George Raft

Born George Raft September 6, 1901, in Hell's Kitchen, Manhattan, his biography lists him as an actor, dancer and film producer and the son of Eva Glockner and Conrad Raft who was a department store delivery man. At the time George was born in the roughest, meanest and in one of the most violent areas of New York City. Because of his neighborhood George became close to the criminal elements and was linked to Owney Madden, owner of the famous

Cotton Club, which deepened his association with known gangsters to become a wheelman and gun thug. He began his show business career working in nightclubs.

George first attracted attention because of the unbelievable speed he could perform the Charleston. He rocketed to fame when he starred in the Howard Hawks production of *Scarface* in 1932 which made him an overnight sensation. He followed up the next year with *The Bowery*, *Bolero* in 1934 and *The Glass Key* in 1935. He starred opposite future super star James Cagney in 1939's *Each Dawn I Die*, followed by the wonderful melodrama *They Drive By Night* in 1940 with Humphrey Bogart and Ida Lupino.

As fast as his star rose, it began to plummet when he refused roles in *High Sierra* and *The Maltese Falcon* which turned Bogart into a super star and probably was the best detective movie of all time. Jack Warner had considered George for the lead in *Casablanca*, that part also going to Bogart. George continued his film career with *Background to Danger* in 1943 and *Johnny Angel* two years later and *Outpost to Morocco* in 1949. However, his star started to dim and by 1950 he was rumored to be connected to the Mafia and thence found himself doing cameos. He attempted a comeback, spoofing himself in *Some Like It Hot* in 1959, but it did not reignite his flagging career.

In George Raft's final television appearance in 1980, he was pressed for some of the recipients of his generosity to struggling actors. Raft the gentleman declined several times even when pressed to give up the identity of one of the biggest television stars he boosted. That was who Raft was, ever the gentleman. When filming with Marlene Dietrich, the scene called for him to hit her and he said, "I cannot," as it was something he'd never do in real life. Shooting was held up for several days until Marlene insisted, he hit her and reluctantly he did, but years after still regretted it. George made 105 films and was usually the guy with the gun; he said he got killed 85 times. He did well with the ladies off screen, but he was usually killed on screen.

In his personal life he had separated from his first wife just a few years into their marriage but continued to support her for 50 years up until her death. When George was a guest on chat shows, he was the only man to stand up when a woman walked on to the stage. Interestingly, or maybe ironically, Raft's last movie appearance in 1980 was *The Man With Bogart's Face*. Perhaps poetically George wound up saving Bogart's life while filming a runaway truck scene which he heroically brought to a stop.

George made some bad career decisions, like trusting his agents' press releases, refusing to work with novice directors, and refusing to play un-redeeming anti-heroes. These, in hindsight, were poor choices. Soon after Warner (Jack Warner was a SOB) annulled his contract. Yet George was still in awe that he was a movie star as he saw himself as an illiterate for most of his life. He would say often, "How did I ever get into pictures in the first place?" He recalled that one day he was sitting in the Brown Derby on Vine Street and a director walked up to him and said he wanted him for a movie.

Because of his association with the criminal element, George got a bad rap after winning \$18,500 in an alleged crooked dice game. Raft claimed he never played with loaded ivories in his life. Later he got caught in tax evasion, was always being questioned about the gangland killing of his friend Bugsy Siegel in 1947, and was banned from England because of his alleged unsavory connections.

George was always self-effacing when it came to his dancing prowess, but Cagney compared him to Fred Astaire. Some muse that he made the wrong choice settling for gangster parts for most of his career. George never fit the romantic lead, but off screen he had many affairs with Marlene Dietrich, Betty Grable, Virginia Pine, Carole Lombard, Mae West and Norma Shearer. Married just once, that didn't keep him from being named as a correspondent in many divorce proceedings by angry husbands.

When Raft died of emphysema, little was left of the 10 million he had earned. He said it went to women, gambling, horses, and the rest he said he spent foolishly. George was best known for making other stars a success, but he never kicked

Stay In Tune With Leisureville

Leisureville News is a free newspaper. It is available in print, or you can access it via the phenomenon called electronic media. If you have invested hundreds or thousands of dollars in computers, notebooks, laptops, ipads or smartphones, you can access the same material online at myplbca.com. Of course, you will have invested countless hours learning how to operate the electronic gadgets over and above the hundreds or thousands of dollars spent on the gadgets. If you have done all of that, remember all the swearing you did at the gadgets for being so stupid and uncooperative. It really doesn't matter how you read this newspaper, what does matter is that you patronize the advertisers who support this publication. Without them, all the technology in the world won't bring this to you for your reading enjoyment. This newspaper is produced by volunteers for and about YOUR community and without it, you would have to rely on hearsay for information about YOUR community. Again, please patronize our advertisers, enjoy the publication by any means you wish and revel in the community we call Leisureville

Reminder to all Ladies Golf League members that annual dues of \$25.00 and Social members dues of \$15.00 are due by January 15. Checks should be made payable to PBL Ladies Golf League. Anyone interested in joining the Golf League should contact Cheryl Ryder.

A big welcome to new Committee members: President, Anita O'Connor; Vice President, Pam Prager; Secretary, Rose Luke; Treasurer, Lee James; Membership Chairperson, Cheryl Ryder; Photos and Publicity, Eleana Guidice; Starter, Gail Hogue; Tournaments, Joan Schone; Prizes and Awards, Kathleen Ure; Schedules, Diane Medieros; Handicap, Suzanne Merrick; Sunshine and Invocations, Joyce Tredinnick; Co-Chairpersons of Luncheons, Jeanette Norris and Flo Rogers.

In January 2023, we have regular play for the first week, followed by 3 weeks of Championship Tournaments. Remember that for Championship tournaments, we must count all strokes and get over the water. Golfers should report to the Golf Shop 15 minutes before tee times. Please notify the starter as soon as you know that you won't be able to play.

We are all looking forward to another wonderful year of golf!

PBLCA MEN'S GOLF LEAGUE

Golf joke: the difference between a whiff and a practice swing is that nobody curses after a practice swing.

It has been a fun month of golf with 3 events having been played.

The winners of the season's 1st Scramble with a combined score of 14 under par are: Andy Martin,

Richard Boulianne, David Kaczmarczyk & Joe Ambrogio.

The winner of the 3 clubs & putter tournament is Yvon Langlois with a score of 54.

On our luncheon day of regular play on Dec. 12, Kevin Merrell had the low score of 52.

Our thanks go out to our new starter: Dan Schmidt.

Finally, any and all golfers interested in joining the men's golf league may do so by signing up at the golf shop Monday morning at 7:15 or by leaving a note with the desk attendant and I will respond.

President: Andy Martin

GOLF CORNER

Greetings from the Golf Committee. We have worked hard to improve your Clubhouse and Course and it has never looked better. Please feel free to enjoy the patio for your next event as we have new comfortable chairs for the patio.

Our Hot dog Sunday was a great success. We sold out of hot dogs and had three winners for our raffle. Bob and Sandra won the \$25 gift certificate, Chris Martin won \$25 and Bob Hague won \$20. There will be 4 more hot dogs Sundays: Jan 8th, Feb 5th, March 5th, and April 2nd. Please come and enjoy the afternoon with us.

There will be a tournament, (The Queen of Hearts Tournament); on February 14th. The fee will be \$15 with many prizes. This is always great fun. The date for the Guys and Dolls tournament will soon be announced.

On a more serious note, please repair your ball marks on the greens. I personally repaired 35 ball marks on the greens during my round on the men's league Monday morning. If you hit the green and bounce off the mark, it is still yours. Please repair it. Please start your round on the 1st hole; do not walk onto the course from your back door and play. You know who you are.

On a lighter note:

Local Rules are a set of regulations ignored by players on one specific course rather than by golfers as a whole.

Bogey the number of strokes needed to finish a hole by a golfer of average skill and above average honesty... see Double Bogey.

Birdie is a Mulligan or the best of several swings and a 20-foot "gimme" putt. See Eagle.

Seriously it does not matter if you are a beginner or scratch golfer, you will get a great workout walking the course. It is over a 2-mile walk. Come and take a stroll in your park with us.

PS the Blue Herons are nesting. Quite a sight.
Joseph Di Turo Vice Chairman Golf Committee.

IN MEMORIAM

GERALDINE LILLIAN DANISH PASSES

Geraldine Lillian Danish (MacKinnon), peacefully passed away on November 15, 2022, at Trustbridge Hospice.

Geri was born in Charlottetown Prince Edward Island, Canada, on January 21, 1946. She moved to Hamilton, Ontario, when she was nine years old. Geri met her husband, Winfred Danish, at a dance hall in Youngstown, New York. Win and Geri married in 1967. The couple had three children, Diana, Lisa, and Michael. In summers when the children were young, the family would sail to different ports around Lake Ontario.

Geri started The Cinderella Shop, a consignment boutique for women's and children's clothing, in 1980. She operated the business on Center Street in Lewiston, NY, until she sold it, and retired, in 2000.

Seeking warmer winters in their retirement, Win and Geri moved from Youngstown to Edenton, North Carolina. Win and Geri started spending their winter months at a home in Boynton Beach, Florida, part of Palm Beach Leisureville, in 2010. Geri had a great eye for bargains on quality things and often had fun on routine shopping trips with her snowbird friends. She and Win also enjoyed parties and events hosted by the Canadian Club. Win and Geri celebrated their 50th wedding anniversary at a surprise party organized by their friends and family in 2017.

Geraldine is survived by her husband Winfred, son Michael and his wife Duffy of Norfolk, Va., daughter Lisa and her husband David of Charlottesville, Va., grandchildren Madison, Alexander, Nathaniel, Ethan and Edward, siblings Barbara, Garfield, Helen and Winston, and many nieces and nephews. She was predeceased by her daughter, Diana (Danish) Little of Richmond, Va., and her siblings Donald, Isabel, Charles, and Earl.

She will be laid to rest in the late spring of 2023 in Oakland Rural Cemetery in Youngstown, NY.

VALARIE VICEDOMINI PASSES

Ann Vicedomini died on November 15, 2022. She was 92 years old. She was born on January 23, 1930, in Waterbury, CT., to Rose and Arthur DeSimone, and was the oldest of 9 siblings.

She married Roland Vicedomini and lived in Connecticut until she moved to Florida. She was a long-time resident of Leisureville until May 2022 when she moved to Barrington Terrace. Although she missed her friends and neighbors at Leisureville,

she made many new friends, with her warm and kind ways, and quickly became a Barrington Ambassador.

At Leisureville you would often see her sitting outside on her patio with "Maddie", the teacup poodle that never left her side. She loved animals and always donated to animal shelters to help take care of them. It was in her honor that a dog park was built on the premises of Barrington Terrace. While living in Connecticut, she was an owner of and operated a very successful catering business, where the food preparation and presentation were done to perfection. Cooking and baking were some of her greatest talents, and it brought her joy to prepare lavish meals, whether it be for 300 guests or her family.

Ann's passions were her family, animal welfare, and helping others. She is survived by three children, Valerie (Vicedomini) Blauvelt, Karyn (Vicedomini) Paige, and Nanci (Vicedomini) Lewis; five grandchildren and a great granddaughter; three sisters; and numerous nieces and nephews. She will be sadly missed, leaving her forever footprint on everyone's hearts, friends, and family alike.

Condolences can be sent to www.boyntonmemorial.com. Her Celebration of Life will be held on January 20, 2023, at St Mark's Catholic Church, 643 NE Fourth Ave., Boynton Beach, FL 33435 at 11am. A luncheon for all guests will be immediately following.

Memorial Gifts can be made in her name to the American Diabetes Association(www.diabetes.org) or the American Society for the Prevention of Cruelty to Animals(www.aspc.org)
